**Notice of Judges and Officials' Oath – Bound Obligations and Fiduciary Duties**

**Article VI**

“All debts contracted and engagements entered into, before the adoption of this Constitution, shall be as valid against the United States under this Constitution, as under the Confederation. This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding. The Senators and Representatives before mentioned, and the members of the several state legislatures, and all executive and judicial officers, both of the United States and of the several states, shall be bound by oath or affirmation, to support this Constitution; but no religious test shall ever be required as a qualification to any office or public trust under the United States.”

**Article 1, Section X**

“All debts shall be payable in gold or silver coin”

**Amendment V**

“ No Person shall be deprived of due process of law”

I Affirm, for the Record, that I do not have, or possess, any gold or silver coins, as prescribed by United States Constitution Law, which is the lawful money to pay the restricting demands, conditionally commanded by Employees and Contractors of the Court. The said restrictions (unconstitutional) are arbitrarily (hindering Due Process) and imposed for processing these Documents, as stipulated in the United States Constitution noted above. Therefore, I submit this Writ “In Forma Pauperis”, being an enjoyment and exercise of my unconditional and Constitutionally - Secured Rights (and not a feudal - fee - burdened privilege) to timely and speedily enforce Due Process of Law, as noted above.

Your demand for “Financial Statements” is used as an instrument to deny me due process of law and my right to free access to the courts. I introduced evidence in the form of an Affidavit of Fact and marked as Evidence. Someone in the courts tampered with that evidence, which is a Federal Violation, and misrepresented it as a Motion which is discretionary and an assumption that permission must be requested to exercise my Constitutional Rights and an exercise of a right is a Constitutional Right, not a Request and this office knows that. This is a direct violation of my “Secured Constitutional / Treaty Rights which is the Supreme Law of the Land and “Stare Decisis” and a violation of your “Oath of Office”. Furthermore as there is no law as prescribed in the United States Constitution stating a “Financial Statement, “Financial Fee (Feudal Law)”, or a “Motion” requesting permission must be submitted in order to exercise my Constitutional Rights, your demand is a violation of Amendment IX of the United States Constitution and a violation of your fiduciary duties.

**Amendment IX**

“ The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people”

*Where rights secured by the Constitution are involved, there can be no rule-making or legislation, which would abrogate them. Miranda v. Arizona 384 US 436, 125:*

As an Officer(s) of the Court, you and your assigns are bound (or have taken) a solemn Oath (See Article VI) to uphold and Support the Constitution for the United States Republic. Refusal of this ‘Affidavit of Financial Statement’ is construed to deny me timely ‘Due Process’ and will be a ‘Colorable Act’ to violate my secured exercise of a Right. Such an act and imposition is a violation of your Official Oath of office.

This can result in additional lawful remedy actions filed against those violating Officers of the Court, Under Title 18 and Title 42, in their official and private capacities. The Law always gives a remedy for the people against color of law actions committed by those who violate their Oaths of Office colluding to abridge the Rights secured for the Natural Beings and the citizens.

I Respectfully, with 'Good Faith' and with Honor, by right to unhindered Due – Process, submit this 'Affidavit of Financial Statement' and Evidence.

Thank You,

I Am: \_\_\_\_\_

### Plaintiff

Andreah Asiyah Gabri'el Bey, Natural Person, In Propria Persona Sui Juris (not to be confused with, nor substituted by, Pro Se by unauthorized hand of another). I am Aboriginal Indigenous Moorish-American; possessing Free-hold by Inheritance and Primogeniture Status; standing Squarely Affirmed, aligned and bound to the Zodiac Constitution, with all due respect and honors given to the Constitution for the United States Republic, North America; Being a descendant of Moroccans and born in America; with the blood of the Ancient Moabites from the Land of Moab, who received permission from the Pharaohs of Egypt to settle and inhabit North-West Africa / North Gate. The Moors are the founders and are the true possessors of the present Moroccan Empire; with our Canaanite, Hittite and Amorite brethren, who sojourned from the land

of Canaan, seeking new homes. Our dominion and inhabitation extended from Northeast and Southwest Africa, across the Great Atlantis, even unto the present North, South and Central America and the Adjoining Islands - bound squarely affirmed to THE TREATY OF PEACE AND FRIENDSHIP OF SEVENTEEN HUNDRED AND EIGHTY-SEVEN (1787) A.D. superseded by THE TREATY OF PEACE AND FRIENDSHIP OF EIGHTEEN HUNDRED AND THIRTY-SIX (1836) A.D. between Morocco and the United States (<http://www.yale.edu/lawweb/avalon/diplomacy/barbary/barl866t.htm> or at **Bevines Law Book of Treaties**) the same as displayed under Treaty Law, Obligations, Authority, as expressed in Article VI of the Constitution for the United States of America (Republic):

### **Facts**

In support of this petition I state for the record:

1. On August 30, 2010, my resources for electrical power and payment for gas services were taken by duress threat and coercion by LIPA AGENT K. WILK in regards to a claim made by LIPA & NATIONAL GRID.
2. On September 1st, 2010, I made a special appearance to clear up this matter. I was advised that \$1,666.00 ransom would have to be paid in order to regain use of my resources. At this time, NATIONAL GRID cashed a check post dated for September 10<sup>th</sup>, [which NATIONAL GRID agreed to with K. WILK as agent] when there were insufficient funds in the bank.
3. On September 14, 2010, a Writ in the Nature of Discovery was sent certified mail, # 70100290000211681460 return receipt to LIPA & NATIONAL GRID requesting certified and verified official copies of all law documents and contracts that give them the authority to sell resources to the aboriginals of the land. This was a Lawful Demand and Request, under the rule of Discovery. It was further stated to provide the information within five (5) days of receipt of this Notice of Discovery.
4. On September 16, 2010, LIPA & NATIONAL GRID received the Writ in the Nature of Discovery.
5. I state for the record a contract has to be disclosed as this is the premise for this claim and without it there can be no claims – All Law is Contract.
6. On October 25, 2010, Thirty-nine days (39) after the Writ in the Nature of Discovery was sent certified return receipt mail to LIPA & NATIONAL GRID. The Notice of Default Judgment was sent certified return receipt mail as the request made was not honored.
7. Upon consultation with my Consular Officer, and other officials of my government, I was advised to sue for damages due to the violation of my Constitutional rights.

### **Legal Claims**

The twelve Signs of the Zodiac, The Code of Mathematics scaling from zero to nine (0-9), and the Science of Geometry (G), comprise the Constitution of the Living Moorish Nation of North America, referred to As; “Negroes”, who ruled the world and the Seven Seas by the 12 signs of the Zodiac and the Science of Geometry (G), for eleven hundred and ninety-six years, to the Amazon Dutch-German Catholic Priesthood Fathers of the Revolution of 1789, and the sisterhood Magna Charta, Emancipation Proclamation, Union Society of Albion (European; erroneously called White) Supremacy, in 1863 North America.

The Twelve Jurymen of the 50 Union States Society, and also the nine judges of the Supreme Court, were founded upon the Moorish Nation’s 12 Signs of the Zodiac Constitution and Mathematics scaling from zero to nine (0-9). Thus without our Moorish Constitution, the Magna Charta, Emancipation Proclamation, Union Society of the Myth of Albion (European; erroneously called White) Supremacy, Definitely could have been found in 1863.

#### **The Zodiac Constitution Article I**

Since the 12 Jurymen of the 50 Union States Magna Charts document of Albion (European; erroneously called White) Supremacy and the nine judges of their Supreme Court were founded upon our Moorish Zodiac 12 signs,

Mathematical Constitution, the lawmakers have no jurisdiction over the Free Moors, the Beys and Els, in the inherited land of the Moorish Nation, namely: United States for America, Canada, central and South America. The Moorish American Nationality and their sir names, Bey and Els, are their inherited birthrights without a legal due process of the lawmakers of the Union Society, United States of America what our Moorish forefathers were, we are today without a doubt or contradiction, namely, Moorish!

### **The Zodiac Constitution Article II**

The Moors, referred to as Negroes, definitely can never become members and citizens of the Union Society of the 48 States. Therefore they cannot be forced or drafted into the Union, U.S.A Army or Military service to fight for the Magna Charta Code of the White supremacy against themselves.

The lawmakers of the 48 States Union order cannot force the Moors, the Beys and Els, to pay taxes because taxation without representation is a supreme violation of the Moorish Zodiac Constitution birthrights of Islam. When the Union lawmakers denounce their immoral Magna Charta Code, and resort to the Moorish Zodiac Constitution, the Moors are compelled to pay taxes because every one of the Nation will be equally represented by it.

### **The Zodiac Constitution Article III**

Every lawmaker, the heads of industry and business enterprise of the 50 states Union Order, are obligated members and citizens of the Magna Charts Christian Church and Temple system of Christ the King of the Jews, meaning; jury over the wealth and culture of the living Moorish nation of North America.

Therefore, by the Moorish Zodiac Constitution, the Moors, the Beys and Els, **can demand** adequate employment, food, clothing, shelter, medical care, equal rights, respect and protection from mob violence, rape and injustices, otherwise without being obligated to the union church and religious system of the order Christ, the "White" son idol God. **The Zodiac Constitution Article IV**

Defendants have committed or conspired to tortuous, unconstitutional and ultra vires acts which have caused various injuries to the petitioner, such as violations of Constitutionally Secured Rights wherein petitioner's 1st, 4th, 5th, 6th, 8th, 9th and 10th amendment rights secured by the Constitution for the United States Republic have been violated by the hands of the defendant(s), and **a Treaty violation pursuant to Article 6 of the Constitution:**

All Debts contracted and Engagements entered into, before the Adoption of this Constitution, shall be as valid against the United States under this Constitution, as under the Confederation.

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

#### **ARTICLE 21 of Treaty of Peace and Friendship 1836 AD**

*"If any citizen of the Untied States should kill or wound a Moor, or, on the contrary, if a Moor shall kill or wound a citizen of the United States, the law of the country shall take place, and equal justice shall be rendered, the consul assisting at the trial; and if any delinquent shall make his escape, the consul shall not be answerable for him in any manner whatever."*

"Where a private occupational statute exists, as here, of which the intent is regulation of private commercial occupations ,the particular agency enforcing that private statute, shall not apply it by trickery or deceit, and threat and misrepresentations, to persons who are not noticed by the statute as persons regulated and taxed ,nor should it permit any party to do so, in violation of a persons right to stay out of a compelled contract, when he is not a person subject to the statute, unless clearly with its words"

*State v Eberhard 179P853:246 P2d 1011*

- (a) Petitioner is an internationally protected person pursuant to 18USC s112 who is neither a resident nor citizen of the State of New York
- (b) Petitioner is a National to this land pursuant to 8USC s1401 (b)
- (c) Petitioner is apart of a foreign government [non U.S] pursuant to 18USC s11

"The state and its municipalities are prohibited from violating substantive rights"[*Owen v City, 445US, 662(1982)*]

All Law is contract therefore in order for any claim to be made the contract must be produced. A LAWFUL CONTRACT has: (1) Offer; (2) Consideration; (3) Acceptance by all Parties for the Contract and (4) The Signatures by ALL Parties involved with the Contract. Full Disclosure about the Contract is IMPERATIVE. I have no contracts with the Defendants. To imply that the Writ in the Nature of Discovery does not have to be honored is a violation of my Constitutionally Secured Rights to Due Process of Law.

Defendant(s) have committed or conspired to a violation of Petitioner's Unalienable, Substantial, and Constitutional rights under the above named USC's and Torts and are not exempted from prosecution individually and severally. Further; The State may not legislate away the Constitutional rights of individuals, nor compel sovereign citizens to give up their rights nor perform under any contract or agreement that is not entered into KNOWINGLY, VOLUNTARILY, WILLINGLY, AND INTENTIONALLY, anything to the contrary constitutes fraud: a perversion of the truth to induce a person to part with something valuable [rights, property, etc] belonging to them using false or misleading representations.

Defendants Michelle Paterson, Jane Doe Holliday, Jane Doe King, Jane Doe Law, John Doe Wilk, are the wives/husbands respectively of the afore-named Defendants Who are Employed as Erstwhile "public servants"; These wives/ husbands are in effect "Socialist- Queens/ Kings", enjoying and living on the Largess and Unlawful spoils brought home by their husbands as compensation for said husband's Violation of their Oaths of Office and for their willing perversion of the U.S. Constitution and the New York Constitution.

Said wife/spouse Defendants named above have failed, refused or neglected to protect Plaintiff from the conspiracy of their husbands/wife and said failure is intentional, purposeful and malicious.

The acts of omission of said wife/spouse Defendants named above constitute an overt act of conspiracy to refuse to

protect Plaintiff.

### **Infliction of Excessive and therefore Cruel and Unusual Punishment**

Under the 8th Amendment, cruel and unusual punishment may not be applied against Plaintiff.

Defendants have imposed just such cruel and unusual punishment upon Plaintiff by the mental stress placed upon Plaintiff as a result of Plaintiff's denial of use of Plaintiff's resources by Defendants. Defendant acts as heretofore complained of, have caused harm and damage to Plaintiff. Said acts have caused mental and physical suffering, insomnia, worry, financial insecurity, stress and strain in relationships, in her work, with her family, relatives and friends, Defendants activities have impaired Plaintiffs standing. They have subjected her to public ridicule and embarrassment.

### **ELEMENTS OF FRAUD WHICH MAKE IT ACTIONABLE ARE:**

1. A false representation of a past or present fact by the defendant
2. A plaintiff action based upon reliance of that representation
3. Damages suffered by a plaintiff for the reliance of that misrepresentation.

LIPA, LILCO & NATIONAL GRID are acting as private corporations when in fact they are State of New York agents and Federal Agents operating under fraud as witnessed by their Tax I.D numbers.

LIPA is a **state owned** entity formed to do business with LILCO as LIPA Acquisitions.

Albany passed a law ordering LILCO to shut down Shoreham or face expropriation of its power plants and other assets by New York State, which would **nationalize** LILCO as a state-run "Long Island Power Authority." The only hitch at the moment is the requirement of Lex Shoreham that the nationalized company produce power at lower cost than tax-burdened LILCO. There are many aspects to this case. The legalities include unconstitutional expropriation, unconstitutional retroactivity, conspiracy of NY State and Suffolk County (as charged in a LILCO suit), breach of oath of office by Commissar Cuomo in obstructing emergency measures, and several instances of gross abuse of power. There are other aspects, such as the nonexistent liability for the \$1 million/day inflicted on a stockholder-owned company by publicity-hungry politicians. LILCO went down (review the original case). LIPA just kept it going, & deferred costs including power plant property taxes through LILCO d.b.a. LIPA under various names on the bill & changing the tariffs without proper public notice while dodging liability bullets, Brooklyn Union an affiliate of ENRON with the integrated gas system just like LILCO, and then MarketSpan / KeySpan Corp. shielded them from under specific contractual agreements that LIPA refuses to make public, as well as the KeySpan/National Grid under separate name games. **Taken from Commissar Cuomo - Access to Energy Newsletter Archive**

### **Taken from LIABILITIES UNDERTAKING AND INDEMNIFICATION AGREEMENT**

--In separate meetings held in Brooklyn and Long Island, shareholders of Brooklyn Union and the Long Island Lighting Co. (LILCO) today approved the combination of their companies to form an as yet unnamed energy holding company. At the Long Island meeting, LILCO shareholders also approved an agreement between their company and the Long Island Power Authority (LIPA).

Under the LIPA transaction, LIPA would acquire LILCO's electric transmission and distribution system, as well as substantially all of its electric regulatory assets and its 18 percent interest in Nine Mile Point 2 nuclear power plant. In addition, LIPA would **assume or refinance** an aggregate of approximately \$4 billion in debt and preferred stock. Brooklyn Union/LILCO would receive net cash proceeds of approximately \$1.7 billion that will be used to grow the new company.

#### **The United States Republic Constitution Article 1,Section X**

A **Title 42 USC1985 Conspiracy to interfere with civil rights** action which seeks compensatory and punitive damages in conjunction with equitable relief as in this case is considered a legal claim, entitling Plaintiff to a jury trial. See *An-Ti v. Michigan Technological Univ.*, 493 F. Supp. 1137.

Section 1985(3) under Title 42 reaches both conspiracies under color of law and conspiracies effectuated through purely private conduct. In this case Plaintiff has alleged a class-based, invidiously discriminatory animus is in part behind the conspirators' actions.

The U.S. Supreme Court acknowledged in *Bray v. Alexandria Women's Health Clinic* 113 S.Ct. 753 (1993) that the standard announced in *Griffen* was not restricted to "race" discrimination. It is therefore reasonable to assume that 1985(3) may be used for "class-based" claims other than race. It is also important to note in *Bray* the U.S. Supreme Court's interpretation of the requirement under 1985(3) that a private conspiracy be one "for the purpose of depriving... any person or "class" of persons of the equal protection of the laws, or of equal privileges and

immunities under the laws, which the Court said mandates "an intent to deprive persons of a right guaranteed against private impairment.

**ELEMENTS OF FRAUD WHICH MAKE IT ACTIONABLE ARE:**

1. A false representation of a past or present fact by the defendant
2. A plaintiff action based upon reliance of that representation
3. Damages suffered by a plaintiff for the reliance of that misrepresentation.
